Sir:

In response to the Notice of Draftsperson's Patent Drawing Review mailed September 8, 2004, Applicants hereby submit formal drawings for all drawing sheets (7 sheets, Figures 1-7).

The Patent Drawing Review indicates that 1) the margins of Figure 1 need to be revised and 2) photographs must meet the paper size requirements of 37 C.F.R. 1.84(f). Applicants have revised Figure 1 to adjust the margins. Applicants object to the requirement regarding photographs as the drawings do not contain photographs. Applicants submit the objection to the drawings is in error. The current drawings attached hereto are believed to comply with 37 C.F.R. 1.84.

Respectfully submitted,
